## Board Meeting Minutes

### EMERGENCY MEETING PICKLEBALL COMMITTEE March 15,2020

The meeting was called to order at 1:57 p.m., outside the clubhouse (to accommodate social distancing). **Present:** Phil Snape, Sheila Snape, Kevin Hogan, Janis Hogan, Debbie Atkinson, Larry VanDeventer, Mike Henderson , Sandy Tiell, Mary Lenhard and Bill Blake. **Absent:** Bonnie Frye. This Emergency meeting was scheduled due to the ever changing circumstances regarding the COVID-19 risk in our GL community.

Phil had contacted Mark Hooker, Golf Lakes president, to clarify whether the Pickleball Club held any liability due to COVID-19 situations for functions sanctioned by our club. Mark sought legal counsel and informed Phil that, yes, we could be held liable. Thus, all sanctioned activities will be **CANCELLED IMMEDIATELY** and include:

**Monday Partner Play**

**Tuesday Morning League**

**Wednesday Evening Womens' League – this ended March 11th**

**Thursday Morning League**

**March 21<sup>st</sup> GLPC Tournament**

**March 23<sup>rd</sup> Banquet & Awards Ceremony**

**Wednesday Beginner Pickleball Lessons**

Mary made a motion for all of the above noted events to be cancelled for the remainder of this season and until further notice. Deb seconded this motion and the motion unanimously passed.

Tuesdays and Thursdays (leagues) will revert to organized play. Sheila will be posting a note at the courts that further play is at **your own risk**.

Phil and Bill met with Pam and Bryan's electric and it appears that the next attempt at rectifying the night lighting problem will be to install two poles on the West side of the courts. The type of lighting has not been determined. There will be additional costs to the pickleball club however, at this time, the actual expenditure is unknown.

The new Pickleball Committee will meet before the end of this week.  
These notes will go out to the entire Pickleball Club membership.

Janis made a motion to adjourn the meeting and Debbie seconded this motion. Motion passed and the meeting was adjourned at 2:30 p.m.

These minutes have not been approved and are submitted as a draft.

Mary Lenhard, Secretary, GLPC
