## Board Meeting Minutes

PICKLEBALL COMMITTEE MEETING  
WEDNESDAY, FEBRUARY 17, 2021  
GOLF LAKES

The meeting was called to order at 1:04 p.m.

Present: Bill Blake, Bonnie Frye, Mike Henderson, Debbie Atkinson, Larry Van Deventer, Sandy Tiell and Mary Lenhard (arrived late)

Absent: Janis & Kevin Hogan (due to COVID they have remained in Canada).

The minutes of the February 17, 2021 meeting were approved as printed. Bonnie, kindly, took notes for the first half of the meeting.

Bonnie provided the Treasurer's report. The current balance is \$5,552.72. There are a total of 55 members with 45 being active members. The pickleball clubs' sanitizer container will be refilled with date TBD.

It is noted that some member issues continue with how Ladder League movement occurs in some instances. It was explained that due to league members, on occasion, being absent and thus requiring subs playing, it is exceedingly difficult to maintain pure consistency.

The ladies Wednesday evening play is going OK. Some want to continue with play. There are two groups that play on Monday evening and it has been suggested, by some, that earlier and later times alternate.

Sandy shared, with members, the packet of information and letter regarding wind screens. She will give the information in her upcoming presentation to the GL Board at their February 25<sup>th</sup> Zoom meeting. Much work has gone into this endeavor.

The issue of guests/visitors playing persists. At present, no guests, nor visitors are allowed. Should this rule be disregarded, individuals are to be reported Pam and she will deal with it. We have had a number of very windy days; the question of canceling of League play was discussed. It was agreed that those in charge of their respective leagues will make the call regarding whether to cancel and reschedule or play on those particular days.

The committee discussed having a pickleball clinic to afford the opportunity for members to learn and/or improve upon their skills. It was decided to have a Skills Clinic on Saturday, March 6 from 10 to 11 a.m. Larry will put this information in the upcoming Court Report and individuals interested in participating are to email Larry and he will put them on the list of attendees.

Currently there are eight (8) Pickleball Committee members. Bonnie put forth a motion for reduction of members to 5 through attrition. A discussion ensued. Larry made a motion to second and all were in favor, thus motion was passed.

The next meeting of the season is scheduled for Monday, March 22<sup>nd</sup> at 2:00 p.m. With no further business, Mary made a motion to adjourn the meeting and Bonnie seconded this. Meeting was adjourned at 2:14 p.m.
